

DEVICE CONTROLS

Apple Devices

APP PURCHASES

- Use the Kid's Section of the App Store
- Make use of the "Age Range" in restrictions to buy or download apps appropriate for them

APP USAGE

- Turn off unwanted apps and even the Safari Web Browser
- Turn on "Ask to Buy" which requires parental approval for app downloads
- Block ALL in app purchases

INTERNET SAFETY

- Install special web browsers for kid-only friendly content
- Restrict adult content
- Open only websites you approve

COMFORT OF KNOWING

- "Find my Friends" allows you to map your child's location
- "Find my iPhone" searches for lost devices and allows you to remotely delete data on a stolen device

***For detailed instructions on setting up these features, go to <https://www.apple.com/families/>**

Google Family Link for Android

APP PURCHASES

- Approve or block apps your child purchases from Google Play Store

MONITOR SCREEN TIME

- Set daily screen time limits for your child's device
- Monitor how long your child spends on various apps
- Provides weekly and monthly reports

LOCK DEVICE

- Remotely lock your child's device when it is time to play, study, or sleep

***For detailed instructions on how to download this app, go to <https://families.google.com/familylink/#>**
