

ANNUAL COMMUNITY FORUM

~ Sponsored by the Parent-Teacher Association ~

**Friday, February 8th
High School Student Room
7:00 pm**

ALL PARENTS ARE ENCOURAGED TO ATTEND!

Who Decided *That*?

It could have been the Board, School Administrator, Faculty Chair, College, or individual teacher. Waldorf schools are self-administered. This allows for policies that are child-centered and responsive to the changing needs of our community. However, it can appear confusing or unclear to parents.

Join Kelly O'Halogan (Faculty Chair), Lance Chaney (Board Chair), Susan Braun (School Administrator), and Deirdre Somers (College of Teachers Co-Chair) for an engaging and informative conversation about the decision-making process at the Waldorf School of Garden City. All parent questions are welcomed and encouraged!

Annual Review of School Finances

Or better said "why does tuition go up every year, and where does the money go?"
