

Feminine Hygiene & Menstrual Product Drive

The Waldorf Activism and Outreach Club is hosting a **menstrual product drive**! Donations will be accepted throughout the month of April and May. We will be donating all proceeds to a women's domestic violence safe house located here on Long Island. Please donate any individually wrapped **sanitary pads, tampons, toilet paper, paper towels, and cleaning products**. A box will be located in the biology lab (Mrs. Verpault's room) where in-person students can drop off your products. All contributions will be greatly appreciated!
