The Waldorf School of Garden City  
 Career Day

Dear Prospective Host,

Thank you for taking the time to welcome one of our eleventh grade students to your work place. We are encouraging each of our students to visit a worksite of interest.

The goals of the career day are to:

- 1) tour the physical facilities
- 2) get an overview of the work of the company
- 3) have a scheduled interview with at least one person in the workplace
- 4) have the opportunity to have a hands-on experience
- 5) stay through a full day of work

The student need not stay with one person for the whole day. Once again, thank you for your hospitality.

Sincerely,

Roland Rothenbuecher  
 High School Chair
